Are Your Diamonds Secure?

Let us examine your Ring or Brooch and see whether or not the stones are securely held in the setting. The claws, especially of rings, become thin and weak through wear, leaving the stone poorly protected. We can remedy this by putting in claws, thus making the mounting as good as new, and the cost will not be great.

ALWAYS
RELIABLE.

What

Mitchell Says.

When you are expecting company to dine, you don't want to make any mistake in regard to the frozen desert you serve.

Call up Mitchell and he will do the rest.

It is a very common thing to have people in our store say:

"Well, that is the best Ice Cream I ever ate."

You will find that all our Ices and drinks have that fine quality flavor only found in Mitchell's goods.

Fancy Brick Cream a specialty.

Yours truly,

C. B. MITCHELL.
